MEMORANDUM FOR MR. WILLIAM T. STONE, CHAIRMAN, INTERDEPARTMENTAL  
FOREIGN INFORMATION STAFF:

Subject: Psychological Warfare Training.

1. The Graduate School of Georgetown University, Washington, D. C., has made known to this office the possibility of establishing an intensified training program in psychological warfare. (See enclosure for curriculum and requirements.) The course is designed to achieve the maximum of training in the minimum of time in subjects considered vital for a basic course in psychological warfare and is of special interest to personnel assigned to policy-level staff positions concerned with psychological warfare. The proposed course seems to offer a splendid opportunity for the immediate training of personnel in the expanding psychological warfare program.

2. If you desire any additional information regarding this course this office will gladly act as the coordinating point with Georgetown University or you may contact the Registrar, Graduate School, Georgetown University, directly.
